## Role in #Pizzagate

---

George Soros has admittedly used his power and influence to greatly change the course of political rhetoric and aid candidates who best represent his goals and ambitions. Of his many political affiliations, George Soros is intimately connected with the Democratic Party of the United States, particularly [Hillary Clinton](#) and [John Podesta](#).

### **Connections to Democratic Party and [John Podesta](#)**

George Soros and his political agenda played a critical role in the Democratic Party. In 2007 [John Podesta](#) and his associates wrote a memo to George Soros informing him on strategic initiatives for 2008 and how the Democratic Party was going to manipulate public opinion in their favor. See [#External links](#) for more [Podesta emails](#) where Soros is being reported to as if he is a key decision maker and financier. He donates enormous sums of money through countless organizations to the Democratic Party.[12]

### **Connections to [Comet Ping Pong](#) and [James Achilles Alefantis](#)**

George Soros is the primary donor for American Bridge 21st Century, a company which ordered \$11,000 from [Comet Ping Pong](#). [13] Anons on Voat actually calculated this out to be the same price as about 10-15 pizzas per week, and thus could have certainly been used to legitimately order pizzas for volunteers.[14] Of course there are [other nearby pizza places](#) which could have been selected, but this particular restaurant has strong ties to the Democratic Party, [John Podesta](#), and [Hillary Clinton](#). It's very possible this was also a deliberate effort to support a business which in turn is a platform of support for the Democratic Party.

### **Connections to [Clinton Foundation](#) and [Hillary Clinton](#)**

It is reported that George Soros's organizations have donated at least \$6 million USD to the [Clinton Foundation](#). [15] He was also known for his contributions to the Clinton Global Initiative.[16] Soros used this influence to directly affect [Hillary Clinton's](#) policies while Secretary of State [17] and is even quoted as saying, "he can always call/meet with [her] on an issue of policy." [18] George Soros also channels funds to the Democracy Alliance, which goes through the Amalgamated Bank and into the [Clinton Foundation](#). Some have described this as operation chain as, "Heavy amounts of money laundering, coming from a massive amount of donors." [Confidential]

### **Connections to [Tavistock Institute](#)**

George Soros has closely worked with [Joe Lewis](#), particularly in regards to [Black Wednesday](#) where they both made inordinate amounts of money from the pound crashing. Lewis also is the main investor of the Tavistock Group, which was founded out of the [first generation of Tavistock Institute's staff](#). Tavistock also directly aids in serving Soros' private ideology due to it's closeness in developing the [Anti Defamation League](#).

## **Criminal and unethical activities**

### **Connections to civil unrest in Crimea**

George Soros was a supporter of the state government of Ukraine during the movement in Crimea to join the Russian Federation. State-sponsored activists were sent by busloads from Kiev to be sent to Crimea knowing full well they

were to be attacked upon arrival and gravely outnumbered.[19] This same party also heavily references National Socialist rhetoric.
